**RE: NO PARKING IN THIS LIBRARY LOT**

\*\*\*\*\*

We are about to start our long-awaited library expansion project and, as a result, I must ask you to refrain from using this area for parking.

Starting next Tuesday, 6 September, I will be issuing temporary parking passes authorizing parking in this lot until November 2005 - when the lot and the driveway will be completely closed. I am expecting that the construction, and the closure of the driveway and lot, will last until the end of December 2007. At that time a new underground parking facility will open for library patrons.

After a grace period of two weeks, beginning 19 September, parking in this lot without the pass or a library sticker will result in the citation of a ticket by the traffic department. Repeat violation will result in the towing of the car at its owner's expense.

I'm sorry for your inconvenience, but please heed the posted no parking signs and this message.
